Digital Literacy Essentials for Students

What is Digital Literacy?

The ability to find, evaluate, create, and communicate information using digital technologies safely and effectively.

Useful Digital Tools

Google Docs, Canva, Notion, Grammarly, and Khan Academy help boost productivity and learning.

Safe Internet Practices

Use strong passwords, verify sources, protect personal info, and think before you click or share.

Pro Tip for Students

Take regular screen breaks and balance online learning with offline activities for better focus!
